Title: “ SGLT2i in T2DM, HF and CKD – the gift that keeps on giving !!! ”

Objectives:

- ~ To Briefly review recent data and beneficial effects of SGLT2 inhibition.
- ~ To discuss the potential MOA of cardio-renal benefit.
- ~ To summarize with recent guidelines supporting the use of SGLT2i in persons with T2DM and HF.

This event is an Accredited Group Learning Activity (Section 1) as defined by the Maintenance of Certification program of the Royal College of Physicians and Surgeons of Canada, approved by McGill University Health Centre Combined Endocrine Rounds.
