How can programming help you in your research?

An introduction to the bioinformatics platform workshops

Join us for a presentation demonstrating practical applications of coding within the research environment. Additionally, we will provide details for our upcoming workshops. Discover the dry lab rat inside you!

Date: March 27th 2024

Time: 1PM to 2:30PM

Location: Training Room – E.M1.3509

Join Our Open Office Hours! We are here to help!

When: every Wednesday

Time: 1PM to 3PM

Location: Room E.S1.5562 (inside the bioinformatics unit, Room E.S1.5500)
