

# Thermo Fisher - Technical cell analysis open house

**June 15, 2017**

## Lectures (E01.5135, 12:00-13:45 pm)

- Advances in Fluorescent Imaging
- Automated cellular imaging cytometry: High content assays & screening (HCA/HCS)

## Demonstrations (E01.5139, 10:00-5:00 pm)

- Demonstration of Thermo Scientific™ Invitrogen™ cell analysis system
- Bring your own samples (by appointment only)  
Chris Woodward: [chris.woodward@thermofisher.com](mailto:chris.woodward@thermofisher.com)

Organized by : Glen-RI-MUHC Molecular Imaging Platform

Thermo Fisher

*Please register at [thermofisher.com/cellanalysisevents](http://thermofisher.com/cellanalysisevents)*

***Seats are limited - Please register ASAP***

***Lunch will be served !***
