chrysoula.makris@mail.mcgill.ca

Dr. Finelli is the Head of Urology and GU Cancer Site lead at the Princess Margaret Cancer Center, University of Toronto. He earned his medical degree from the University of Toronto and completed his residency there. He then went on to complete his fellowship at the Cleveland Clinic Foundation. Dr. Finelli's practice focuses on minimally invasive surgery for prostate and kidney cancer. He has performed live surgery for instructional purposes in more than 10 countries.

Dr. Finelli's research focus is in outcomes research. He has developed strong collaborative networks and has secured in excess of \$1 million in peer-reviewed funding for his research. He has published more than 100 manuscripts. Dr. Finelli was honoured with the Bernard Langer Surgeon Scientist Award that acknowledges an outstanding graduate of the Surgeon Scientist Program in the Department of Surgery, who shows the greatest promise for a career in academic surgery.

Dr. Finelli has recently been selected as the inaugural Genitourinary Cancer Lead for the Province of Ontario.
