

MONDAY NOON SEMINARS

Blanche Capel, PhD

James B. Duke Distinguished
Professor, Department of Cell
Biology, DUMC

December 13, 2021, 12-1 PM

The Battle of the Sexes: Setting a Course in the Bipotential Gonad

Seminar Highlights

- Explain how the bipotential gonad forms
- Explain how sex determination pathways are initiated
- Propose that the male or female pathway is stabilized by epigenetic regulation
