

# Extracellular Vesicles Workshop

*Montreal, Canada October 29th, 2019*

The Extracellular Vesicle Network is multi-disciplinary collaborative research group with a common addiction: understanding and exploiting the use of Extracellular Vesicles. Our **goal** is to establish a working group of researchers to openly communicate and share expertise, protocols and resources.

## Conference Information and Venue

The workshop will be held at the Research Institute of the McGill University Health Centre (RI-MUHC) Auditorium.
